33. **FLEXIBLE HOURS ARRANGEMENTS**

33.1 **Definition**

33.1.1 These provisions allow for the option of varying existing span of hours working arrangements in response to the operational needs of the organisational unit and/or in response to the needs of staff within it.

33.1.3 Agreement of a flexible hours arrangement will not be sought through the exertion of undue pressure or intimidation.
33.2 Hours of duty

A flexible hours arrangement is a change to the existing span of hours worked by a staff member(s) (sub clause 27.2). 33.5 Rates of pay for staff working flexible hours arrangements

The working of a flexible hours arrangement under this clause will not be deemed to be the working of a shift (as defined in sub clause 32.2) for the purposes of accruing a shift penalty. Ordinary rates of pay will apply to all normal hours worked under this arrangement, including normal hours of work performed on Saturdays and Sundays.

34. OVERTIME

34.1 Eligibility for overtime

34.2.4 Overtime only occurs where work cannot reasonably be performed during normal rostered hours, except where the staff member and supervisor have agreed to other arrangements in respect of the excess time worked and for staff working flexible arrangements where work cannot be reasonably performed during ordinary hours. For the purposes of calculating overtime payments, overtime will be rounded to the nearest quarter of an hour.

34.3 Approval of overtime
Overtime or time off in lieu of overtime is not permitted without prior approval of the supervisor.

34.4 Call back

This does not apply to library staff, QPS, LETS (Technology support staff) or laboratory assistants (or equivalent).

(b) All time worked on a shift worker’s rostered day off will be paid for at 200% of the staff member’s ordinary rate of pay and all overtime worked on Saturday and Sunday will be paid for with a minimum payment as for two (2) hours work.

In special circumstances, where approved in writing by the Authorising Officer a staff member may accrue in excess of five (5) days and may take such accrued time off in lieu in block periods during non-peak periods. Time off in lieu must be taken within six (6) months of it being accrued, unless the HR Director agrees that exceptional circumstances exist. If no extension is granted, payment of the accrued time off in lieu must occur.

(e) Where a staff member resigns prior to taking accrued time off in lieu, the University will pay the equivalent time in lieu. Payment under these circumstances is limited to time off in lieu accrued in the six (6) months prior to the effective date of resignation.

36. **MEAL BREAKS**

- Monday to Friday: 10% of the ordinary hourly rate of pay
- Saturday: 12% of the ordinary hourly rate of pay
- Sunday/Public Holidays: 14.5% of the ordinary hourly rate of pay

This allowance will be calculated on the ordinary rate of pay being paid at the time.

Where a staff member in receipt of the on-call allowance is required to perform additional duties outside of normal working hours, the payment of the on-call allowance will continue on the staff member’s ordinary rate of pay for this period of time.

41. REDUCED WORKING YEAR SCHEME

41.1 All staff members (excluding casual staff) are eligible to apply to their supervisor for agreement to work a Reduced Working Year. Under the Reduced Working Year, within a twelve (12) month period, a staff member is entitled to have up to eight (8) weeks paid leave in addition to the normal four (4) weeks recreation leave, with a commensurate reduction in total salary rate for the twelve (12) months. The additional leave (up to eight
(8) weeks) provided to the staff member under the Reduced Working Year will not attract leave loading.

41.2 Staff participation in the scheme is optional and at the request of the staff member. Approval by the University to participate in the scheme will depend on balancing operational requirements with increased flexibility options and choice for staff. Performance decisions will be based on the proportion of work appropriate to the position.

41.3 The entitlement will be applied in accordance with the policy in the Manual of Policies and Procedures. The University will consult with the Unions prior to any proposed changes to this policy.
PART E - OTHER CONDITIONS

42. CATEGORIES OF APPOINTMENT

This clause outlines the employment arrangements that the University may enter into with staff.

42.1 Ongoing appointment

An ongoing appointment (either full-time or part-time) is an appointment where the nature of the work is ongoing and is made for an indefinite period.

42.2 Fixed-term appointment

42.2.1 A fixed-term appointment is an appointment (either full-time or part-time) made for a specific period of time or for a specified task or project. A fixed-term appointment is not terminable by the University other than during a probationary period, for unsatisfactory performance, for cause based upon serious misconduct, for redundancy, or on medical grounds.

The staff member will be advised in writing of the term of the appointment, the length and terms of any period of probation and the circumstances(s) by reference to which the use of a fixed-term appointment has been decided.

Where due to unforeseen circumstances, the work required to be performed cannot be completed in the term of appointment advised to the staff member, the University may extend the period of appointment (once only for a period of up to six (6) months) with the staff member’s agreement in writing. Such an extension will be treated as part of the fixed-term appointment and not as a renewal of the fixed-term appointment. However such an extension cannot be used to avoid payment of severance pay.

A fixed-term staff member who has a period of continuous service with the University in a classification which has an incremental structure shall be entitled to progress through the structure as outlined in clause 17.

Prior to the expiration of a fixed-term appointment and where it is determined that the position will continue on a fixed-term basis, the University will offer the staff member a subsequent appointment to that position where the duties of the position remain substantially unchanged, and the staff member has demonstrated satisfactory performance.

42.2.2 Conversion to an ongoing appointment

Prior to the expiration of a fixed-term appointment and where the University has determined that the position has ongoing funding and will continue on an ongoing basis, the University will offer a fixed-term staff member an ongoing appointment when all the following conditions are met:

(a) the staff member is not engaged under categories 3, 5, 6, 8, 9, or 10 in sub clause 42.2.4, unless in exceptional circumstances as determined by the Authorising Officer and the Human Resources Director;

(b) the staff member has occupied the position for a minimum period of two (2) years, or in exceptional circumstances, a lesser period as determined by the Authorising Officer and the Human Resources Director;
(c) the position will be vacant following the expiration of the fixed-term appointment, and is not substantively occupied by another staff member;

(d) the duties of the position remain substantially unchanged;

(e) the staff member was initially appointed through a merit based selection process; and

(f) the staff member has demonstrated satisfactory performance through Performance, Planning and Review cycles.

42.2.3 Fixed-term employment shall not be used to fill on-going positions or undertake work that is ongoing except in the circumstances specified in categories 4, 5, 6, 7, 8 and 10 below in sub clause 42.2.4.

42.2.4 Fixed-term employment categories

The use of “fixed-term employment” shall be limited to the employment of a staff member engaged on work activity that comes within the description of one or more of the following circumstances:

1 Specified task or project

“Specified task or project” shall mean a definable work activity which has a starting time and which is expected to be completed within an anticipated timeframe.

2 External funding

“External funding” shall mean identifiable funding external to the University not being funding that is part of an operating grant from government, or funding comprised of payment of fees made by or on behalf of students.

3 Research

“Research” means an activity by a person engaged on research-only functions for a contract period not exceeding five (5) years.

4 Replacement staff member

“Replacement staff member” means a staff member engaged for the purpose of replacing a staff member on leave, acting or seconded to duties away from their usual area of employment for a defined period not normally exceeding twelve (12) months.

5 Pre-retirement contract

Where a full-time or a part-time staff member declares that it is their intention to retire, a fixed-term contract expiring on or around the relevant retirement date may be adopted as the appropriate type of employment for a period of up to five (5) years.

6 Student

Where a person is enrolled as a student at the University, a fixed-term contract may be adopted as the appropriate type of employment for work activity, not within the description of another circumstance in this clause, provided that:

- The work is generally related to a degree course that the student is undertaking and the work would normally be performed within the student’s academic unit; or
• It is in a role that has been created specifically for currently-enrolled students to provide services and support to fellow students, such as Student Ambassador.

An offer of fixed-term employment:
• shall not be made on the condition that the person offered the employment enrol as a student;
• will be for a period that does not extend beyond, or that expires at the end of, the academic year in which the person ceases to be a student; and
• shall not be used as a means of using fixed-term appointments to undertake work of an ongoing nature.

7 Uncertainty over future requirements
Where there is uncertainty over future requirements related to a formal organisational change process occurring within an area of the University, or where a new course or activity is being developed and implemented, a fixed-term contract can be used for a defined period not normally exceeding twelve (12) months within that organisational area.

8 Fill a vacancy on a temporary basis
A staff member may be employed on a fixed-term basis for a defined period not normally exceeding six (6) months, (with the possibility of an extension for a further period or periods by agreement between the parties) to replace a staff member who has resigned or retired, where the position is pending advertisement and appointment.

9 Apprenticeship or Traineeship
A person employed pursuant to an apprenticeship or traineeship approved by the relevant State or Territory training authority, or under a special Commonwealth or State Government employment or training scheme.

10 Post-retirement
A retired, former staff member of the University (whose date of cessation with the University was less than twelve (12) months prior to the date of re-engagement, and whose employment with the University did not cease due to redundancy, or retirement following participation in an Early Retirement Scheme (ERS)), may be re-engaged, in the same or similar role, for a defined period not normally exceeding twelve (12) months due to a requirement for a particular skill set or level of experience.

For the purposes of this clause, a person is defined as being retired if they are eligible to access superannuation entitlements as either a lump sum or pension.

42.3 Casual Appointment

42.3.1 A casual appointment is an appointment of a staff member by the hour and the payment of such staff member on an hourly basis that includes a loading to compensate for agreement and award based benefits for which a casual staff member is not eligible.
The University is committed to ongoing employment wherever possible. The parties acknowledge that in some circumstances the employment of casuals is necessary and they will be engaged on an irregular and intermittent basis, normally for no longer than six (6) months at a time. Where the nature of the work does not appear to be irregular and intermittent, the position will be reviewed by the Head of School/Department to determine whether a casual appointment is appropriate in the circumstances.

42.3.2 **Minimum Hours of Employment**

Casual staff:

(a) may be employed to work from three (3) to 36.25 hours per week

(b) will receive a minimum payment of three (3) hours for each engagement, except for

(i) persons who are students (including post graduate students) who are expected to attend the University on that day in their capacity as students shall have a minimum period of engagement of one (1) hour; or

(ii) persons with a primary occupation elsewhere (or with the University) shall have a minimum period of engagement of one (1) hour.

(iii) In order to meet their personal circumstances, a casual staff member may request and the University may agree to an engagement for less than the minimum of three (3) hours.

42.3.3 **Payment of Casual Loading**

42.3.4 Casual staff are paid an ordinary rate equal to the appropriate weekly rate divided by 36.25 hours and a 25% loading.

42.3.5 **Conversion from casual to non-casual employment**

(a) Applications for conversion to ongoing employment (including semester-based and part-time employment) will be considered.

(b) A casual staff member must not be engaged and re-engaged nor have their hours reduced in order to avoid any obligation under this clause.

(c) To be eligible to apply for conversion, a casual staff member must be employed on a regular and systematic basis in the same or a similar and identically classified position in the same department (or equivalent), either over the immediately preceding period of twelve (12) months and in those immediately preceding twelve (12) months the average weekly hours worked equaled at least 50% of the ordinary weekly hours that would have been worked by an equivalent full-time staff member or over the immediately preceding period of at least twenty-four (24) months.

(d) Occasional and short-term work performed by the staff member in another classification, job or department shall not affect the staff member’s eligibility for conversion.

(e) The University shall not unreasonably refuse an application for conversion but may refuse an application on reasonable grounds, including, but not limited to:

(i) the staff member is a student, or has recently been a student, other than where their status as a student is irrelevant to their engagement and the work required;
(ii) the staff member is a genuine retiree;

(iii) the staff member is performing work which will either cease to be required or will be performed by a non-casual staff member, within twenty-six (26) weeks (from the date of application);

(iv) the staff member has a primary occupation with the University or elsewhere, either as an employee or as a self-employed person;

(v) the staff member does not meet the essential requirements of the position; or

(vi) the work is ad hoc, intermittent, unpredictable or involves hours that are irregular.

(f) Provisions relating to conversion from casual to non-casual employment will be in accordance with the policy in the Manual of Policies and Procedures. The University will consult with the Unions prior to any proposed changes to this policy.

42.4 Continuuing (Contingent Research Funded) Appointment

A fixed-term staff member appointed to a position(s) engaged in support of research-only functions, funded by contingent research funding for a period of continuous service of three (3) years or more, and who is to be, or has been, appointed to a further consecutive contract of at least twelve (12) months duration, may be employed on a Continuuing (Contingent Research Funded) appointment.

"Contingent Research Funding" is limited term funding provided from external sources, but not funding that is part of an operating grant from government or funding comprised of payments of fees made by or on behalf of students.

Such staff members may apply for ongoing employment on the basis of a Continuuing (Contingent Research Funded) Contract in accordance with Schedule 3 and no further probation shall apply.

42.5 Additional Appointments

As a general principle, a staff member should be employed under a single employment contract. However, it is recognised that full-time and part-time staff may also voluntarily engage in casual employment with the University, which is normally work that is distinct and separate from the staff member’s normal duties.

43. MODES OF EMPLOYMENT

43.1 Full-time appointment

A staff member holding a full-time appointment will be required to work the hours as prescribed in clause 25.

43.2 Part-time appointment

43.2.1 A staff member holding a part-time appointment will be required to work for a proportion of the hours of a full-time staff member with such hours worked as a regular number of hours per week. However, staff may, by mutual agreement with the supervisor, work more or less than the average weekly hours, provided that at the end of the four (4) week cycle, the total hours worked equates to the appropriate proportion.
43.2.2 The regular daily working hours of a part-time staff member will be worked continuously, excluding meal breaks, and will not be less than three (3) hours or more than the maximum hours worked per day by a full-time staff member, unless otherwise agreed between the staff member and the supervisor. A part-time staff member will have fixed commencing and ceasing times within the spans of hours detailed in clause 27 or as agreed through the provisions of clause 33.

43.2.3 A part-time staff member will be paid the appropriate fortnightly rate multiplied by the appropriate fraction of their employment and will be paid at proportional rates for leave entitlements.

43.3 Semester employment arrangement

43.3.1 Principles

A semester employment arrangement provides for the appointment of staff (either ongoing or fixed-term) to work during each semester (either two (2) or three (3) semesters a year) with appointment being on an ongoing or fixed-term basis. The number of weeks worked during a semester period may vary across areas of the University in response to the particular service provided. Staff employed on this basis are deemed to be on unpaid leave outside of the periods of paid employment.

Appointment on a semester based arrangement will only be made where the work is required to be performed during semester periods. Semester based employment is not to be used as an alternative to the making of appointments on a full-time basis.

43.3.2 Conditions

The following conditions apply to the appointment of staff on a semester employment arrangement:

(a) Appointment on a semester employment basis will not be made where the appointment exceeds a maximum of 0.8 of a full-time equivalent (1508 hours per year).

(b) At least every six (6) months the supervisor will discuss with the staff member the weeks required to be worked during the following six (6) months. There may be a requirement to increase the hours of work up to 36.25 hours per week at various times throughout the year. Any increases to the hours of work will be by mutual agreement and payment will be made at the ordinary rate of pay.

(c) Staff members employed on a semester basis will be paid for work as it is undertaken. Recreation leave and long service leave will accrue during hours worked and not during periods of unpaid leave. Where possible accrued recreation leave should be taken upon ceasing a period of paid employment. At the option of the staff member accrued recreation leave may be taken either at the end of each period of paid employment or at the end of the last period of paid employment for the calendar year.

(d) Excluding periods of paid leave (recreation leave, long service leave) semester based staff members are deemed to be on unpaid leave at all other times of the year. Semester based staff members will not be paid over the Christmas/New Year closure period unless they are required to work over that period.
44. **FLEXIBILITY**

44.1 This clause constitutes the flexibility term referred to in section 202 of the Fair Work Act 2009.

University and a staff member covered by this Agreement may agree to make an individual flexibility arrangement to vary the effect of the terms of the Agreement if:

(a) the arrangement is about a variation to clause 43 of this Agreement so that the staff member's mode of employment changes from part-time to full-time, or at the request of the staff member from full-time to part-time for a specified period;

(b) the arrangement meets the genuine needs of the University and the staff member in relation to the matter mentioned in sub clause 44.1.1(a);

(c) the arrangement is genuinely agreed to by the University and the staff member, without coercion or duress; and

(d) the arrangement does not disadvantage other staff members in the workplace in relation to their terms and conditions of employment.

44.2 The University must ensure that the terms of the individual flexibility arrangement:

(a) are about permitted matters under section 172 of the Fair Work Act 2009;

(b) are not unlawful terms under section 194 of the Fair Work Act 2009; and

(c) result in the staff member being better off overall than the staff member would be if no arrangement was made; and

(d) are consistent with the University's responsibilities to provide a safe and healthy working environment.

44.3 The University must ensure that the individual flexibility arrangement:

(a) is in writing;

(b) includes the name of the University and the staff member;

(c) is signed by the University and the staff member and if the staff member is under 18 years of age, signed by a parent or guardian of the staff member;

(d) includes details of:

(i) the terms of the Agreement that will be varied by the arrangement; and

(ii) how the arrangement will vary the effect of the terms; and

(iii) how the staff member will be better off overall in relation to the terms and conditions of their employment as a result of the arrangement;

(e) states the day on which the arrangement commences; and

(f) does not require that any one else approve, other than the staff member and the University.

44.4 The University must give the staff member a fully signed copy of the individual flexibility arrangement no later than fourteen (14) days after it has been fully signed and further at any later time upon request and reasonable notice of the staff member.
44.5 The staff member may terminate the individual flexibility arrangement by giving written notice to the University within three (3) working days after making the individual flexibility arrangement.

44.6 The University or the staff member may terminate the individual flexibility arrangement:
(a) by giving 28 days written notice to the other party to the arrangement; or
(b) if the University and the staff member agree in writing – at any time.

44.7 A staff member may be represented by a Union or other Representative of their choice in negotiating an individual flexibility arrangement. Union officials and/or other representatives have a standing invitation by the University to access the workplace for the purposes of representing staff who have requested representation in relation to the negotiation of an individual flexibility arrangement. Such access shall include time to confer with staff, where necessary, to ensure the efficient negotiation of the arrangement.

45. INDIGENOUS EMPLOYMENT

45.1 Definition
For the purposes of this clause an 'Indigenous Australian person' means a person of Aboriginal and/or Torres Strait Islander descent who identifies as an Aboriginal and/or Torres Strait Islander person and is accepted as such by their community.

45.2 Employment Strategy

45.2.1 Principles
(a) The University is committed to the objective of increasing employment of Indigenous Australians at the University. The University aspires to increase the workforce participation of Indigenous Australians to 1.7% as articulated in QUT’s Blueprint.
(b) Consistent with this aspiration, the QUT Indigenous Strategy aims to maximise the employment of Indigenous Australians.
(c) The Strategy is based on the Reconciliation Statement. Development and implementation of the Strategy is based on the following principles:
(i) Respect for and consideration of the cultural, social and spiritual systems practiced by Indigenous Australians, recognition of Indigenous Australian knowledge as a significant contribution to all other bodies of knowledge, and acknowledge the expertise that Indigenous Australian staff bring to the University.
(ii) Acknowledgment that participation of Indigenous Australians in cultural, community or related activities enhances the effectiveness of Aboriginal and Torres Strait Islander people as staff members. Provision for participation in these activities is therefore of direct benefit to the University.
(iii) Recognition that a supportive working environment for Indigenous Australians would go to the redress of past social injustice, exploitation and employment inequity.
(iv) Consistency with principles of Aboriginal and Torres Strait Islander self-
determination, social and restorative justice, and cultural affirmation.

45.2.2 Objectives

(a) The Strategy includes measures to increase Indigenous employment and participation at all levels of work activity throughout the University and is guided by the employment target reflective of relevant demographic data, as revised and specified within the current strategy.

(b) Measures will include:

(i) Identification of positions for which being an Indigenous Australian is a genuine occupational qualification.

(ii) Designation of positions which offer genuine developmental opportunities to Indigenous staff.

(iii) Facilitating and encouraging the direct involvement of Indigenous staff in determining their own career strategies, goals and objectives.

(iv) Maximising career development for current and new Indigenous staff in order to enhance experience of University operations.

(v) Ensuring that management and staff are provided with opportunities to receive appropriate training and exposure to Indigenous knowledge and culture.

(vi) Progress towards the target for Indigenous employment can be raised through the PSCC.

45.2.3 Indigenous Employment Reference Group

(a) The Reference Group will include the Senior Deputy Vice-Chancellor, and a total of one nominee from the NTEU and one nominee from the Unions covered by this Agreement, a University senior manager (nominated by the Senior Deputy Vice-Chancellor), the Human Resources Director or nominee, the Oodgeroo Unit Director, the Indigenous Employment Coordinator, an Indigenous staff member (Oodgeroo Unit) elected by Oodgeroo staff, an Indigenous staff member (non-Oodgeroo Unit) elected by Indigenous staff outside the Oodgeroo Unit, an Indigenous staff member from the Indigenous Studies Research Network (ISRN) elected by Indigenous staff from the ISRN and a senior staff member from a Division, nominated by the Reference Group.

(b) The Reference Group will recommend actions and strategies to the Senior Deputy Vice-Chancellor and provide a six-monthly report to the Consultative Committees.

(c) The Reference Group will be expected to liaise with the Aboriginal and Torres Strait Islander Committee of the University.

45.2.4 Oodgeroo Unit

The long-term effectiveness of the Unit and QUT is dependent on Indigenous Australian people being the overwhelming majority of staff in the Unit. This can be supported by:

(a) Vacant and new positions being advertised as either:

(i) ‘identified’ ones for which being an Indigenous Australian is a genuine occupational qualification; or
(ii) ‘specified’ for which preference will be given to Indigenous candidates.

In such cases, the staff member will notify the supervisor if a support person is to attend any PPR meeting. It is the responsibility of the staff member to advise the supervisor when the allocated work cannot be completed in ordinary hours of work.

51.2 Workload Allocation Guidelines
The Workload Allocation Guidelines for Professional Staff and Supervisors may assist professional staff members and supervisors in the equitable allocation of workload and in the resolution of concerns regarding workload pressure. The Workload Allocation Guidelines for Professional Staff and Supervisors will not be amended without prior consultation with the Unions.

51.3 Workload concerns
51.3.1 In the first instance all reasonable efforts should be taken between the staff member and their supervisor to resolve any concerns about workload.

51.3.2 If following efforts between a staff member and their supervisor to resolve concerns regarding workload, a staff member remains concerned about workload, the staff member may seek advice and assistance from the Human Resources Department in accordance with the Workload Allocation Guidelines for Professional Staff and Supervisors.

51.3.3 In exceptional circumstances, it may be appropriate for the Union to raise concerns about workloads in a specific area, directly with the Human Resources Department.

51.3.4 If following the procedures outlined in sub clauses 51.3.2 and 51.3.3 the matter remains unresolved:

(a) A staff member, or staff in a work area, or their Union, may refer the matter to the University’s Grievance Resolution Procedures for Workplace Related Grievances for conciliation or investigation, where appropriate; or

(b) A Union may raise the matter with the PSCC and where the PSCC determines there are reasonable grounds to do so, the Human Resources Director will investigate the complaint expeditiously and report back to the PSCC, with the aim of resolving the matter. The Human Resources Director will consult with the relevant Union during the investigation.

52. PROBATION

52.1 Period of Probation

52.1.1 Ongoing Appointment
The following periods of probation apply to staff appointed on an ongoing basis:

<table>
<thead>
<tr>
<th>Classification level</th>
<th>Probation period</th>
</tr>
</thead>
<tbody>
<tr>
<td>HEW Levels 1-4</td>
<td>3 months.</td>
</tr>
</tbody>
</table>
HEW Levels 5-7  3 months.  
In exceptional circumstances a period of probation not exceeding six (6) months may apply where the nature and circumstances of the position require a longer period of probation. This will include whether the key functions of the position can reasonably be undertaken and assessed within a three (3) month period.

| HEW Levels 8-10 | 12 months |

52.1.2 Fixed-term appointment

A period of probation will apply to staff employed on their first fixed-term appointment. The Authorising Officer will determine the period of probation to apply to each appointment within a minimum period of three (3) months and a maximum period of six (6) months having regard to the period of fixed-term employment, the nature of the work and the classification level of the position.

Any continuous second or subsequent fixed-term appointment in the same or substantially similar position will not contain a probationary period unless there has been a break of more than three (3) months between appointments.

52.1.3 Notwithstanding any other provisions of this clause the University may at any time during the probation period confirm or terminate the employment of a probationary staff member.

52.1.4 A supervisor may seek approval from the Authorising Officer for the period of probation to be waived, in which case the appointment will be confirmed on commencement.

52.1.5 The probation period will be suspended by any period of extended leave.

52.2 Probation Reviews

52.2.1 The performance of a staff member during the probation period will be assessed as part of PPR-PS.

52.2.2 During the period of probation, the staff member and their supervisor will meet to review performance and development. An initial meeting will be conducted within one (1) month of appointment, an interim review will be conducted mid-way through the period of probation and a final review will be conducted at least one month before the completion of the period of probation.

52.2.3 The outcomes of the PPR-PS will form the basis of the final review. At the time of the final review, the supervisor will make a recommendation to the Authorising Officer, through the head of school/department, that the appointment be:

(a) confirmed; or

(b) terminated.
This recommendation must be signed by the staff member as having been sighted, and a copy must be provided to the staff member, before being forwarded to the Human Resources Director for consideration and approval or non-approval. The staff member’s signature does not necessarily imply agreement with the supervisor’s recommendation and the staff member may submit additional information with the PPR-PS documentation.

52.2.4 Where a supervisor recommends that the period of employment be terminated, the Human Resources Director will advise the staff member that they may submit a case as to why the recommendation to terminate employment should not be approved. Any such submission must be received, in writing, within five (5) working days of receipt of the Human Resources Director’s advice.

The Human Resources Director will consider the merits of the material provided by both the supervisor and the staff member and will consult with the supervisor and staff member prior to making a decision to accept or reject the supervisor’s recommendation. The Human Resource Director will make a decision within ten (10) working days of the due date of receipt of a submission from the staff member and the decision will be provided in writing to the staff member and the Authorising Officer.

52.2.5 Where the Human Resources Director approves a recommendation that the employment be terminated, the Human Resources Director’s written outcome will serve as notice of termination. At least one (1) week’s notice will be provided.

52.2.6 A staff member is entitled to seek support or advice from another person, including a staff member or where the staff member requests, a Representative as defined in sub clause 6.13 at any stage of the process described in sub clause 52.2 other than during the meetings conducted as part of the PPR-PS.

53. PROCESS FOR MANAGING UNSATISFACTORY PERFORMANCE

53.1 Application
This clause applies to all on-going and fixed-term staff members engaged for six (6) months or more except those employed on a probationary basis.

53.2 Procedures

53.2.1 When a supervisor identifies the performance of a staff member as unsatisfactory the supervisor will inform the staff member and make every effort to address issues and to resolve unsatisfactory performance through guidance, counselling, appropriate staff development, and/or appropriate work allocation.

This process may occur as part of PPR-PS. Documentation developed during PPR-PS can be used to inform the process for managing unsatisfactory performance.

53.2.2 Where a staff member so requests, a staff member will be assisted throughout this process by a Representative as defined in sub clause 6.13.
53.2.3 When following efforts to resolve unsatisfactory performance through appropriate measures outlined in sub clause 53.2.1, a supervisor believes the performance of a staff member continues to be unsatisfactory, the supervisor:

(a) will discuss with the staff member the nature of the improvement required and the time within which improvement is expected.

(b) Only in exceptional circumstances will the review period be less than one (1) month or more than six (6) months.

(c) where appropriate, direct the staff member to undertake a course of professional development or other appropriate programs designed to assist in improving performance.

(d) during the nominated review period, provide regular feedback to the staff member on their progress and, where appropriate, provide any further support to assist in improving performance.

Once these procedures have commenced, the supervisor may decide to withhold an increment and in such circumstances will advise the staff member in writing. A record of all discussions will be supplied to the staff member and all documentation kept in a confidential section on the staff member’s central personnel file.

53.2.4 Where following the review period:

(a) the performance of the staff member is no longer unsatisfactory, the staff member will be advised in writing and no further action will be taken under these procedures.

(b) the supervisor believes that the performance of the staff member continues to be unsatisfactory, the supervisor will make a formal report to the Human Resources Director, through the Head of Department’s/School’s Head of Division/Executive Dean. The report will state clearly the aspects of performance seen as unsatisfactory, the record of attempts to remedy the problem, and the recommended disciplinary action.

53.2.5 The supervisor will provide the staff member with a copy of the report at the time it is submitted. The staff member will be entitled to ten (10) working days from the receipt of the supervisor’s report to submit a written response to the Human Resources Director.

53.2.6 Upon receipt of the supervisor’s report and any written response from the staff member, the Human Resources Director will first be satisfied that:

(a) the performance standards expected by the supervisor are reasonable;

(b) appropriate steps have been taken to bring the unsatisfactory nature of the performance to the staff member’s attention;

(c) adequate opportunity to respond to the supervisor’s report was given to the staff member;

(d) any response of the staff member was given due and proper consideration by the supervisor; and
(e) a reasonable opportunity has been provided to remedy the unsatisfactory performance.

53.2.7 The Human Resources Director will then:
(a) take no further action; or
(b) refer the matter back to the supervisor to ensure the steps in sub clause 53.2.6 have been complied with; or
(c) forward to the Vice-Chancellor the supervisor’s recommendation that disciplinary action be taken in accordance with sub clause 6.4.

53.2.8 The Human Resources Director will advise the staff member in writing of any decision made in accordance with sub clause 53.2.7.

53.2.9 Where disciplinary action has been recommended by the supervisor, the staff member may advise the Human Resources Director within ten (10) working days if they wish to refer the matter to an Unsatisfactory Performance Review Committee.

53.2.10 Where the staff member elects to have the matter referred to an Unsatisfactory Performance Review Committee, the Vice-Chancellor will establish a Committee in accordance with clause 55.

53.2.11 Where the staff member does not elect to have the matter referred to a Review Committee, the Vice-Chancellor will consider the recommendation of the supervisor and may take disciplinary action consistent with sub clause 6.4. The Vice-Chancellor will advise the staff member in writing of any decision made and such decision will take effect no earlier than five (5) working days from the date of the Vice-Chancellor’s written advice.

53.2.12 Where a matter is referred to the Unsatisfactory Performance Review Committee:
(a) the Committee will, unless otherwise agreed, report its findings to the Vice-Chancellor as expeditiously as possible and within thirty (30) days of the Committee being established.
(b) the staff member and the University are entitled, where they so choose, to be represented in proceedings before the Committee by a Representative as defined in sub clauses 6.13.
(c) the Committee will determine its own procedures which must be consistent with the provisions of clause 55.

53.2.13 The Committee will provide a written report to the staff member and the Vice-Chancellor containing its findings on:
(a) whether the procedures outlined in sub clauses 52.2.3 to 53.2.7 have been followed and/or
(b) the appropriateness of the disciplinary action recommended by the supervisor.

53.2.14 Following consideration of the report of the Review Committee (which will not be binding on the Vice-Chancellor) the Vice-Chancellor will either:
(a) advise the staff member in writing that they are satisfied that there has been no unsatisfactory performance; or

(b) take disciplinary action and decide what that disciplinary action will be.

53.2.15 The Vice-Chancellor will advise the staff member in writing of any decision made and such decision will take effect no earlier than five (5) working days from the date of the Vice-Chancellor's written advice.

53.2.16 Nothing in this clause prevents the Vice-Chancellor on the Vice-Chancellor's own motion referring a question of possible unsatisfactory performance to a supervisor for appropriate action.

53.2.17 The action of the Vice-Chancellor under this clause will be final, except that nothing in this clause will be construed as excluding the jurisdiction of any external court or tribunal which, but for this clause, would be competent to deal with this matter.

54. DISCIPLINARY ACTION FOR MISCONDUCT AND SERIOUS MISCONDUCT

54.1 Application

This clause applies to all ongoing and fixed-term staff members, engaged for six months or more.

54.2 Procedures

54.2.1 Before the Vice-Chancellor takes Disciplinary Action against a staff member for conduct amounting to Misconduct or Serious Misconduct, the Vice-Chancellor must take the steps in this clause, except that, where a matter which may involve Misconduct or Serious Misconduct has been dealt with in good faith as if it were a case of unsatisfactory performance under clause 53 the procedures in this clause are not required.

54.2.2 If at any time the Vice-Chancellor becomes aware that there has been a failure to follow procedures required by the Vice-Chancellor or the MIC in relation to this clause, then:

(a) the Vice-Chancellor must advise the staff member concerned of the failure, including the steps proposed to be taken pursuant to this clause, and invite the staff member's response to that proposal;

(b) the Vice-Chancellor must take any steps available to remedy the failure or reduce its impact, taking into account any response received from the staff member;

(c) the Vice-Chancellor must take into account the effect (if any) of the non-compliance when making a decision which affects the interests of the staff member.

54.2.3 A failure to follow procedure which, is of a minor nature and does not materially prejudice the staff member or have a genuine capacity to lead to a wrong or unfair outcome does not of itself invalidate a disciplinary process as long as the Vice-Chancellor has complied with sub clause 54.2.2.
54.3 Allegations

54.3.1 If the Vice-Chancellor has information that a staff member may have engaged in Misconduct or Serious Misconduct, the Vice-Chancellor will:

(a) notify the staff member in writing and in sufficient detail to enable the staff member to understand the precise nature of the allegations and to properly consider and respond to them; and

(b) require the staff member to submit a written response to the allegations within ten (10) working days of the date of receipt of the written allegations.

54.4 Suspension

54.4.1 At the time of notifying the staff member in accordance with subclause 54.3 if the Vice-Chancellor is of the view that the alleged conduct is such that it would be unreasonable to require the University to continue the staff member's attendance at work pending investigation of the allegations in accordance with the procedure outlined in this clause, the Vice-Chancellor may suspend the staff member with or without pay.

54.4.2 Where suspension without pay occurs:

(a) the staff member can draw on any recreation leave or long service leave entitlements for the duration of the suspension without pay; and

(b) the Vice-Chancellor may at any time direct that salary be paid on the grounds of hardship.

54.4.3 During any period of suspension, the staff member may be excluded from the University, provided that the staff member will be permitted reasonable access to the University for the preparation of their case and to collect personal property.

54.4.4 If the staff member is for any period suspended without pay, then, following the process required by this clause:

(a) if the Vice-Chancellor concludes that the staff member has not engaged in Misconduct or Serious Misconduct, the staff member will be reimbursed any lost salary;

(b) if the Vice-Chancellor is satisfied that the staff member has engaged in misconduct or serious misconduct but decides to impose no Disciplinary Action, the Vice-Chancellor may, at their discretion, determine whether or not the staff member should be reimbursed for lost salary.

54.5 Response

54.5.1 If, having considered the staff member's response, the Vice-Chancellor is of the view that there has been no Misconduct or Serious Misconduct, they will immediately advise the staff member in writing and will, at the request of the staff member, publish the advice in an appropriate manner.

54.5.2 If the staff member does not respond to the allegations, and the Vice-Chancellor has confirmed that the staff member received the allegations and was in a position to respond then the Vice-Chancellor may:
(a) decide to take no further action;

(b) reprimand or censure the staff member in relation to Misconduct or Serious Misconduct;

(c) refer the matter to the Misconduct Investigation Committee; or

(d) in the case of Serious Misconduct and when the Vice-Chancellor determines on reasonable grounds that Serious Misconduct has occurred and it would be unreasonable to require the University to continue the employment of the staff member in light of the nature of the Serious Misconduct, the Vice-Chancellor may terminate the employment of the staff member.

54.5.3 If the staff member wholly or partly admits one or more of the allegations in their response, and the Vice-Chancellor is of the view that the admitted allegations constitute Misconduct or Serious Misconduct, the Vice-Chancellor may:

(a) proceed on the basis only of the admitted allegations and advise the staff member in writing of their decision in relation to Disciplinary Action; or

(b) refer the allegations which have not been admitted to a Misconduct Investigation Committee.

54.5.4 If the staff member denies all of the allegations then the Vice-Chancellor may:

(a) decide to take no further action;

(b) reprimand or censure the staff member in relation to misconduct or serious misconduct;

(c) refer the matter to the Misconduct Investigation Committee; or

(d) in the case of Serious Misconduct and when the Vice-Chancellor determines on reasonable grounds that Serious Misconduct has occurred and it would be unreasonable to require the University to continue the employment of the staff member in light of the nature of the Serious Misconduct, the Vice-Chancellor may terminate the employment of the staff member.

(ii) if it believes there are reasonable grounds for concern in this regard, may make directions in relation to cross examination which address the concern, which may include a direction that the staff member must appoint an independent representative to conduct all or part of the staff member's cross examination before the MIC.

56.2.2 The Vice-Chancellor will provide a staff member with written notice of not less than two (2) months that a medical examination is required. Where the staff member elects to apply to the staff member’s superannuation fund, prior to the expiry of the period of notice, for permanent disablement or temporary incapacity benefit pursuant to the rules of the superannuation fund, the requirement for a medical examination under sub clause 56.2.1 will lapse and no further action will, subject to sub clause 56.2.3 be taken by the Vice-Chancellor under this clause.
56.2.3 Where the superannuation fund decides that the staff member, following a period of receipt of temporary incapacity benefit, is capable of resuming work and the Vice-Chancellor elects to dispute this decision, the Vice-Chancellor may proceed in accordance with this clause without further recourse to the provisions of sub clause 56.2.2.

56.2.4 A copy of the medical report made by the medical practitioner under sub clause 56.2.1 will be made available to the Vice-Chancellor and to the staff member.

56.2.5 If the medical examination reveals that the staff member is unable to perform their duties and is unlikely to be able to resume them within a reasonable period, being not less than twelve (12) months, the Vice-Chancellor may, subject to sub clause 56.2.6 terminate the employment of the staff member in accordance with the notice required by the staff member’s contract of employment. Prior to taking action to terminate the employment of a staff member, the Vice-Chancellor may offer the staff member the opportunity to submit a resignation where submitted it will be accepted and no action taken to proceed with termination.

56.2.6 A staff member (or person acting on their behalf) may request within fourteen (14) days of the medical report being made available to the staff member, that the findings of the medical examination referred to sub clause 56.2.5 be confirmed by a panel of medical practitioners or independent specialist in accordance with sub clause 56.2.7 below.

56.2.7 If such a request is received, the Vice-Chancellor will not terminate the employment of the staff member unless and until the findings of the report are confirmed by:

   This panel or independent specialist will not include the practitioner who made the initial report. Every effort will be made to appoint a panel no later than seven (7) days from the staff member’s request being received by the Vice-Chancellor.

56.2.8 In making an assessment as to whether or not a staff member is unable to perform their duties and is unlikely to be able to resume them within a reasonable period, the medical practitioner, panel of medical practitioners or independent specialist, as far as possible, will apply the same definitions of permanent disablement as contained in the trust deeds of the staff member’s superannuation scheme, if any, in determining qualification of a disablement pension or other similar benefit.
56.2.9 The Vice-Chancellor may construe a failure by a staff member to undergo a medical examination in accordance with these procedures within three (3) months of a written notification to do so as establishing that such a medical examination would have found that the staff member is unable to perform their duties and is unlikely to be able to resume them within twelve (12) months. In such circumstances, the Vice-Chancellor may act accordingly provided that such a refusal by a staff member in these circumstances will not constitute misconduct or serious misconduct nor lead to any greater penalty or loss of entitlements than would have resulted from an adverse medical report.

58. VOLUNTARY AND INVOLUNTARY REDUNDANCY

58.1 Redundancy is a situation where the position occupied by an ongoing or fixed-term staff member (excluding pre-retirement fixed-term appointment and contingent research funded fixed-term appointment) is identified as surplus to the University’s requirements as a result of:

(a) demonstrated financial constraints leading to the cessation or reallocation of the function or functions performed by the staff member to other areas of the University; or

(b) a decision by the University to discontinue or curtail a particular service or activity; or

(c) technological change and development; or

(d) changes imposed through legislative amendment.

58.2 In accordance with clause 11, following a decision made by the University that the functions of a position(s) may no longer be required or the position(s) may no longer be needed, and that decision may lead to termination of employment, the University will hold discussions with the staff member(s) directly affected and the Unions.
All relevant information and data will be provided to assist in consultations. In any
discussions, the University will not be required to disclose information that would be
adverse to the University’s interests.

58.3 Following the consultation as prescribed in clause 11 and sub clause 58.2 and a
decision that staff reductions will occur; there will be consultation with affected staff
members and the Unions with the aim of reaching agreement on an implementation
plan to achieve job reductions without increasing the average workload of organisation
units and ensuring that any job losses are genuine redundancies.

The plan will include:

(a) the reduction to be achieved in terms of either staffing costs or number of staff;
(b) the timetable for achieving staff reductions;
(c) the preferred measures for achieving staff reductions;
(d) consideration of all measures to avoid redundancy including retraining and
    redeployment, voluntary flexible working arrangements, consideration of job swap
    arrangements, and one or more rounds of voluntary redundancy;
(e) objective criteria to be used to determine if an application for voluntary redundancy
    is acceptable.

58.4 Voluntary redundancy

58.4.1 Where the University identifies a need to achieve staff reductions, the Vice-Chancellor
(or nominee) will call for applications for voluntary redundancy from relevant staff
members in the area identified in the implementation plan in accordance with sub
clause 58.3. Should a staff member wish to apply for voluntary redundancy, the
application must be submitted to the Vice-Chancellor within twenty (20) working days of
the invitation to apply.

58.4.2 Within ten (10) working days of the closing date of applications to take voluntary
redundancy, the Vice-Chancellor will either accept or reject the application in
accordance with the objective criteria in the plan, and the staff member will be advised
of the decision. Where a decision is made to reject the application, the staff member will
be advised of the reasons for non-acceptance and that no further action will be taken to
terminate the employment of the staff member.

58.4.3 Where a staff member’s application for voluntary redundancy is accepted, the staff

58.5 Involuntary redundancy

58.5.1 Where the voluntary measures do not achieve the appropriate staff reductions as set
out in the implementation plan, the University may identify specific positions as surplus.
Following the identification of these positions the following process will occur:
(a) The University will hold discussions with the staff member(s) directly affected and the Unions. The discussion will take place as soon as practicable after the University has made a decision to declare the positions redundant and will cover the following:

(i) the reason for the position(s) becoming surplus;
(ii) measures to avoid or minimise the redundancies including the feasibility of alternative employment arrangements such as part-time employment and job share; and
(iii) measures to mitigate any adverse effects on staff member(s) concerned.

(b) Following these discussions and investigation of alternative employment arrangements, the Vice-Chancellor may formally notify a staff member(s) that the position they occupy is surplus to the University’s requirements. A staff member who applied for voluntary redundancy and whose application was rejected cannot be made redundant under the arrangements for involuntary redundancy.

(c) Within ten (10) working days of notification the staff member may elect one of the following options and notify the Vice-Chancellor in writing:

58.6.2 Upon receipt of an application for review (which must be provided within ten (10) working days of receipt of the notification in accordance with sub clause 58.5) the Vice-Chancellor will establish a Redundancy Review Committee in accordance with clause 55.
58.6.3 The committee must consider the application and make a recommendation within twenty (20) working days of the date of application for review.

58.6.4 In its consideration of the staff member’s application for review, the committee will consider the grounds outlined in sub clause 58.6.1.

(c) For staff who have worked varied hours during their ongoing or fixed-term period of service, payment will be calculated as the actual percentage of full-time employment over the full period of that service, or on their existing percentage of full-time employment, whichever is greater.

(d) For ongoing or fixed-term staff with prior QUT casual service to be eligible to receive an additional payment of 1 weeks’ salary for the purpose of calculating a redundancy, the prior QUT casual service must have been:

1. ELIGIBILITY FOR CONTINUING (CONTINGENT RESEARCH FUNDED) APPOINTMENT

1.1 A fixed-term staff member appointed to a position(s) engaged in support of research-only functions, funded by contingent research funding for a period of continuous service of three (3) years or more, and who is to be, or has been, appointed to a further consecutive contract of at least twelve (12) months duration, may apply for conversion to a Continuing (Contingent Research Funded) appointment. An application for conversion to a Continuing (Contingent Research Funded) appointment is subject to the following requirements:

(a) the staff member must have achieved a Performance Planning and Review assessment rating of at least “satisfactory”; and

(b) the relevant Authorising Officer must be satisfied that;

   (i) there is likely to be sufficient revenue or funding streams to provide continuing support for the staff member’s employment; or

   (ii) the staff member has generic and transferable skills in addition to their research specialty, and those skills are subject to ongoing demand within the University.

2. INTERNAL FUNDING

2.1 A fixed-term staff member eligible under the conditions of sub clause 1.1 may be appointed, at the discretion of the Executive Dean of a Faculty or Executive Director of an Institute, to a Continuing (Contingent Research Funded) appointment using internal funds, where:

(a) the use of internal funding is for a limited period;

(b) the area has a reasonable expectation that alternative contingent research funding or a continuing appointment will become available; and

(c) the alternative would be the separation of the staff member from their position with the University.

3. CIRCUMSTANCES FOR REFUSAL OF CONVERSION

3.1 The University may refuse an application for conversion under sub clause 1.1 on the grounds that:

(a) the criteria in sub clause 1.1 are not satisfied;

(b) the staff member is a student, and their status as a student was the primary reason for their appointment;
(c) the staff member is a genuine retiree (including a staff member who elected to change from continuing employment to a pre-retirement appointment); or
(d) the conduct of the staff member has not been satisfactory.

4. CONDITIONS OF EMPLOYMENT

4.1 It is not the intention of this clause that the conditions of employment of a staff member employed on a Continuing (Contingent Research Funded) basis be worse than had they been employed on a fixed-term position subject to contingent research funding. That is, a staff member employed on, or converted to, Continuing (Contingent Research Funding) Appointment would normally be engaged for the term of the funding supporting the position. Accordingly, the University shall not terminate the employment of a staff member on a Continuing (Contingent Research Funded) Appointment unless:

(a) the contingent research funding that supports the position ceases or is insufficient;
(b) the inherent nature of the work required has changed significantly and the skills and experience of the staff member will not enable them to complete the requirements of the position; or
(c) termination is under the probation, unsatisfactory performance or disciplinary provisions of this Agreement.

5. CESSATION OF FUNDING

5.1 The following provisions do not apply to staff employed on a Continuing (Contingent Research Funded) basis where funding for continuation of a Continuing (Contingent Research Funded) Appointment ceases:

(a) the consultation provisions of clause 11 in respect to the contingent position that staff member occupies;
(b) clause 58;
(c) clause 59.

5.2 Where the funding that supports a staff member’s Continuing (Contingent Research Funded) Appointment is due to end:

(a) and during the notice period in sub clause 5.5 the contingent research funding for the position is renewed, the notice period ceases to apply and employment continues;
(b) the University may, at its discretion, transfer the staff member to another equivalent position; or
(c) where an application for renewal of the contingent research funding for the position is still pending, the period of employment may continue for any period of paid leave the staff member is entitled to and thereafter unpaid leave may be approved to retain the employment relationship until a decision on the contingent funding is made. By mutual agreement, payment of leave may be delayed for nine (9) weeks to facilitate continuation of service. When payment of leave is made, leave balances will be reduced accordingly. Payment of severance may be delayed for nine (9) weeks to facilitate continuation of service, but will be paid on termination if it is agreed the staff member is not likely to be offered further employment by the University.

5.3 A staff member employed on a Continuing (Contingent Research Funded) basis may be employed on subsequent research grants. A break between contracts of up to three (3) months will not constitute a break in continuity of service, but will not be recognised as service.

5.4 At the end of the notice period (and any such approved leave in accordance with sub clause 5.2(c) and after consideration of the provisions in sub clause 5.2, the employment relationship will cease and the severance payment in sub clause 5.5 will be made to the staff member.

5.5 Notice Periods and Severance Payments for Continuing (Contingent Research Funded) appointments

5.5.1 If a staff member's employment is terminated under those circumstances listed in sub clauses 4.1(a) or 4.1(b) above, and a transfer opportunity as specified in sub-clause 5.2(b) does not exist, the staff member will be provided with the following notice and severance payments:

Better off overall test

QUT undertakes that if, as a result of roster arrangements from time to time, any Precinct Employee earns less remuneration in any four week period under this Enterprise Agreement than they would have earned if employed under the terms of the Higher Education Industry - General Staff - Award 2010 (MA000007), it will pay the employee the amount required to ensure that they are better off overall under the terms of this Enterprise Agreement.

Shift penalties

QUT undertakes that if it does employ any non-rotating night shift workers as defined in the Higher Education Industry - General Staff - Award 2010 (MA000007), it will apply clause 29 of the Modern Award as if it is a term of this Enterprise Agreement.
